

Minister of the Interior, Haim Moshe Shapiro, yes-lay received the Belgian bassador, M. Jean Leroy.

A portrait of Camille Huys-mans, the Belgian statesman. mans, the Belgian statesman, was yesterday presented to the Rnesset Speaker, Mr. Ka-dish Lux on the occasion of the Belgian parliament. The portrait, which was presented by Mr. G. Rafael, Assistant. Director-General of the Foreign Ministry and, former Amhassador to Belgium, was a gift of the late Romi Goldmuns, the noted Belgian-Jewlah industrialist, who died a fortnight ago.

The Burmese Ambassador, U His Maung, yesterday called on the President of the Bupreme Court, Justice Yitz-hak Oishan, and the other members of the Court.

Religious Affairs had agreed the disposance of the serving up of an interdepartmental authority to
take over the running of the
pilgrimage site from the present Medint Zion Committee,
which he beads. The Direct
tor-General repided that
there had been no decision
yet, and when asked further
whether his Committee would
continue to function he de
diagred then he did not believe it was the Government
Tourist Corporation's Intention to asterp its functions.
But the Corporation's Contral Region Director, Mr.
Asher Rabbinowitz, who was
present at the conference,
upon being questioned by reporters, asserted that the
Minister, Rabbi Y.M. Toledano, had in fact decided on
the creation of the authority.
He (Mr. Rabbinowitz) had
attended the entire meeting
with Rabbi Toledano which
discussed the matter, which
Dr. Cahana had only been at
part of it, he said.
It had been decided that
the new body would consist
of two representatives of the
Ministry for Religious Affairs,
and one of each of the Jerusalem Municipality, the
Corporation, and the District
Representative. These agencies are now to be asked to
name their delegates, he said.

On the occasion of the 180th anniversary of Argontina, a street was named in the Ka tam on Quarter of Jerusalem on Tuasday in honour of Jose de San Martin, Argentina's national hero. Asked what would happen to the Committee, Mr. Rabbinowits said "it would retreat to new positions." Dr. Cahana later said that he had no objections to the Corporation taking over the Mount if it preserved its traditional character.

Mr. Rabbinowits said that visitors' repeated commissing about affairs on Mount Zion. as regards the taking of donations, aesthetic arrangements of the various sites, and other complaints, accessitated the creation of a new authority. Dr. Cahana strennously contested these charges. The two Government officials fired charges and counter-charges over the heads of the dumbfount.

AR WHOOPS FROM CHINA

THEREE is no solid evidences that Chinas had saything to do with Mr. Khrushchevichange of freest in Parial. But certain facts are public and suggestive, and may help be explain what happened. They were in fact o polemic against Mr. Khrushchev's co-existence policy, though they did not name him or his policies directly. Two very long articles appeared, for example, in "Red Ying" the theoretical organ of the Chinese Communist Party, and two in "People". Between the date of Mr. Kuushen's greech and the Paris maeting, something may have heen for consultable.
